| 3. Fish make great pets. | Fact | Opinion |
| 4. Fruits and vegetables are part of a healthy diet. | Fact | Opinion |
| 5. Texas is the best place to live. | Fact | Opinion |
| 6. Baseball is America's national sport. | Fact | Opinion |
| 7. Many students come to school on the bus. | Fact | Opinion |
| 8. Athletes are good role models. | Fact | Opinion |
| 9. You need water to survive. | Fact | Opinion |
| 10. Jeff Kinney is a great writer. | Fact | Opinion |

B. Instructions: Read the paragraph. Underline the sentences that are opinions.

Rain is important for plants and animals. It's known as precipitation in the water cycle, and occurs after evaporation. It's fun to play in it as well! You can splash in rain puddles or walk outside with an umbrella. When it gets very cold outside, rain becomes snow or hail. Snow is even more fun than rain. Everyone loves building snowmen and throwing snowballs. Our planet has all kinds of different weather patterns.

Answer Key: FACT or OPINION?

A. Instructions: Read the following statements. Circle Fact or Opinion after each one.
