SKILLS

- 10 years of experience at the corporate executive level
- Honored with multiple nationwide awards for graphic and digital design
- Over 20 years experience managing design teams, posting consistent improvements on all measurables

AREAS OF EXPERIENCE

MANAGEMENT

- Currently oversee over 100 employees as VP of design at Gallop Software
- Received promotion from Design Director to VP at Gallop after every designer on my team beat 150% of their measurables
- Prior to accepting position at Gallop, founded and administrated private graphic design consultancy
- Managed small, medium and large design teams for over 20 clients including Nuka-Cola, Webshare and Brooks Haldiman Investments, achieving measurable improvement in each case
- Visiting lecturer at the University of Central Kentucky after graduating summa cum laude with my MBA

DESIGN

- Highly successful graphic designer with multiple awards in the field (see below)
- As a consultant, contributed substantially to the messaging of multiple national brands
- Wrote Gallop Design Manual; later developed into a key text in the design field

CODING

- Fluent in Java, Python, C++ and various markup languages
- National-level expert in Wordpress and HTML design
