

How to Conjugate the Verb **GUSTAR** in the Present Tense

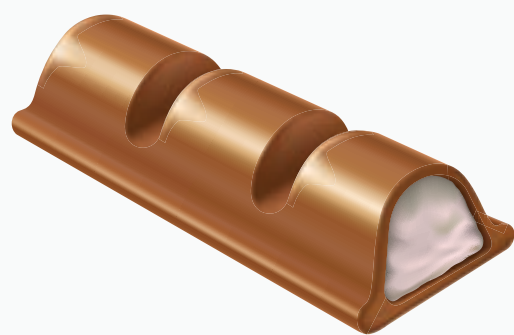

Learn how to conjugate the verb gustar in the present tense with various subjects including singular, plural, feminine, masculine and verbs.

Build a Sentence with Gustar

Examples

I like chocolate.

Me gusta el chocolate.

I do not like to dance.

No me gusta bailar.

I like cats.

Me gustan los gatos.

- To indicate the object of the sentence, use the indirect object pronoun (me, te, le, nos, os, les) before the conjugated form of the verb gustar.
- Singular nouns and infinitive forms of verbs → use the 3rd person singular form of gustar (gusta)
- Plural nouns → use the 3rd person plural form of the verb gustar (gustan)
- To make a sentence negative, simply add “no” to the beginning of the sentence
