

# Vocabulary Lesson Plan Template

*Presentation: New Vocabulary (No more than 5-7 at a time for maximum retention)*

Word	Part of Speech	Definition	Example

*Presentation: Word Families*

Noun	Verb	Adjective	Adverb

*Practice: Putting Words in Sentences*

Use each word twice. Mix up sentences. For more advanced practice, also include related parts of speech.

*Production: Writing*

Give each student one word with which to write one sentence. Have students work together to write stories using all words. Challenge groups to use as many words as possible in one long sentence.
