

What makes your school special?

How do kids learn to be kind?

What happens when people can't work together?

What makes a good friend?

What would you like to invent?

Have you ever broken something?  
What happened?

What do you like to do when you're not at school?

Have you ever had an imaginary friend?

What do you like about how you look?

What is the best thing on the school playground? Why?
